

## How To Learn My Spellings

Over the next 2 weeks you have spelling words to learn for the SPELLATHON.

Here are some tips to help you learn your words:

**SAY the word** — say the syllables if there are more than one.

**STRETCH** the word — work syllable by syllable sounding out the word.

**SPLIT the word** — split the word into the different syllables if there are more than one.

**WRITE** the word parts you sound out, chunk it down into smaller parts.

**CLARIFY** the word — what does it mean?

**MAKE A SENTENCE** using your word — make it fun to help you remember the word.
